

Demand leads to stage-2 release

STRONG demand for the first stage of EastLink Business Park by FKP Property Group has led to the early release of the second stage.

The response also indicates that businesses are banking on the success of the soon-to-be completed EastLink on such properties.

Located on Colemans Rd in Carrum Downs, the first stage of the \$42 million EastLink Business Park has nearly sold out, with just three of 32 lots remaining.

FKP's executive general manager (Victoria) Jason Smith said: "As the EastLink nears completion, we have seen increased interest from investors who recognise the unique opportunity this location represents."

Stage two of the project offers owner/occupiers, developers and investors 24 flexible-sized land allotments suitable for manufac-
